FALL 2019

## RHF Memorial Scholarships Awarded

The 2019 Robert H. Finkelstein Memorial Scholarships were presented by Sheldon Horowitz, president of the Safe Harbour Group, and Rena Finkelstein, president of the Friends of the Library, at the July board meeting. This year's winners are Jana DeVera and Hima Iype.

Jana, who works in the information technology department, is entering her senior year at SUNY New Paltz, majoring in communications. Hima, a page in the youth services department, is enrolled at Rockland Community College, majoring in chemistry.

The scholarships not only represent Mr. Finkelstein's deep belief in the value of education and the importance of the library in the pursuit of education, but also the commitment by Mr. Horowitz to support and continue the cultural and educational work begun by Mr. Finkelstein.

We wish Hima and Jana all the best in their future endeavors.
